VOL. LIX; NO 6. REDWOOD CITY, CALIFORNIA, SATURDAY, MAY 11, 1918. ESTABLISHED 1859.

J. C. JONES APPOINTED TRUSTEE IN PLACE VACATED BY MERRILL

At the regular meeting of the city council Monday evening the vacancy on the board caused by the resignation of former Trustee George A. Merrill wasfilled by the election of J. C. Jones, a resident of Vera avenue, thus giving to that important residential district its first local representation. The selection of Mr. Jones was unanimous, the name of no other aspirant being mentioned. Immediately following the announcement of the selection the new trustee filed his oath of office and was seated in the vacant chair.

With the vacancy in the list of trustees filled, Mayor Mabie announced the standing committees of the council as follows: Finance—Trustees McNulty, Ryan and Jones; Health and Police—Trustees Ryan, McNulty and Kreiss; Streets—Trustees Kreiss, Jones and McNulty; Public Utilities—Trustees Jones, Kreiss and Ryan.

As a representative of the committee in charge of the second Red Cross War Service drive, A. D. Walsh appeared before the council to urge that the city lend financial assistance in the patriotic movement. While no definite action was taken, Mr. Walsh was assured that at the next meeting of the council the city would at least duplicate its subscription of $250 made last year, if this amount was not increased.

M. J. Soto called attention to what he considered the dangerous condition of the bridge on Oak avenue and urged that steps be taken for its immediate repair. At the suggestion of Mayor Mabie the City Engineer and Street Superintendent were instructed to submit a report on the necessary repairs at the next meeting of the council with an estimate of the cost of the work.

A. Plump presented an application for a permit to erect a building on Maple street near Main to be used as a public laundry. As it was stated that plans for the building had been approved by the State health authorities, the permit was granted without objection.

Permission to hold a social dance until 3 o'clock on the evening of May 25th at Foresters hall was granted to Redwood City Aerie, Fraternal Order of Eagles.

A resolution was adopted directing city officials to turn over to the salvage department of the Redwood City branch of the Red Cross all unused articles under their jurisdiction. In this connection the superintendents of the city street and water departments were directed to submit lists of all discarded machinery belonging to the city with a view to their disposal.

In response to the call for bids for furnishing drivers and teams for doing the street sprinkling two offers for the work were submitted. J. D. Smith submitted a bid of $10.90 per day for each team, while George Allis offered to do the same work for $6. Acting upon the advice of Superintendent of Streets Dearborn, consideration of the bids was indefinitely postponed and the present plan of temporary employment ordered continued.

Preparatory to the ordering of the improvement of Davis street by the construction of sewers and curbs, a resolution proposing the necessary change of official grades was adopted.

A resolution declaring the intention of the council to order the improvement of streets in the Wellesley Park section by resurfacing with oil was adopted. Time for hearing protests against the work was set for May 27th.

Trustee McNulty suggested that as a means of partially meeting the deficiency in city funds which will result from the loss of revenue due to the closing of the saloons at the end of the present quarter the 25 per cent reduction in water rates made for the encouragement of the planting of war gardens be discontinued. The suggestion was adopted by a unanimous vote after a short discussion of various means of economizing in expenditures which will be made necessary.

At the suggestion of Trustee Kreiss the City Clerk ws directed to purchase a flag to be displayed in the council chamber during sessions of the council.

An adjournment was then taken until Thursdy evening, at which time several matters were scheduled to be considered.

Redwood City's total contribution to the big fund has been $26,514.

Although San Mateo leads all the other districts of the county in total sales, Redwood City won the laurels for the month of April, topping San Mateo by over $3,000.

Letts, whose husband is the candidate for county recorder. Both were born in Colfax, Iowa, and went to school together there. "An Evening in Hawaii" at Chautauqua

"Rambling Through Paradise" with Mildred Leo Clemens

It is hard to imagine a program of greater charm than the one which will close Chautauqua this year, "An Evening in Hawaii." Mildred Leo Clemens, author and lecturer, cousin of Mark Twain, will present a travelogue, "Rambling Through Paradise," accompanied by wonderful dissolving views of the Islands. The Royal Hawaiian Quintet will present a full concert of the enchanting melodies of their native land. This group of Hawaiian players and singers is one of the best brought into this country in many years, including among its members Joseph Kekuku, originator of the steel method of guitar playing.

ENCOURAGED BY FRIENDS TO MAKE THE RACE

H. S. Hersman, a prospective candidate for congress in this district, was here on Thursday looking over the field before making his formal announcement. He saw nearly all the leading republicans and was encouraged by them to make the race.

Mr. Hersman hails from Gilroy where he has large holdings in real estate. For eight years he represented that district on the board of supervisors of Santa Clara county. He is quite prominent in the district. Last year Mr. Hersman put out on his large ranch near Gilroy 3700 prune and apricot trees. He is wealthy and has a large following in the southern portion of the district. He is a good public speaker, fine entertainer and a thorough gentleman.

SHORT LOCALS ABOUT REDWOOD CITY PEOPLE

Now that the Liberty Loan drive is over, a request is made of the public that they take down all Liberty Loan posters and other dead material so as to make room for the Red Cross War Fund Campaign.

A. Baradat, while in Jos. H. Nash's office yesterday saw war savings certificates on his desk and at once the big hearted man from San Mateo bought two $100 certificates for each of his two children. He went proudly away with them to be delivered to his boy and girl.

The Redwood City Home guard on Thursday night drilled with real guns borrowed from the San Mateo high school. The wooden guns usually used by the guard only weigh a half a pound while the real weapons weighs eight pounds. The men were given a slight idea of what the soldier in the field has to pack and endure.

This is Thrift Stamp day for Redwood City. Young ladies will be on every street corner to sell stamps. Buy and help the worthy cause. Don't refuse these young ladies who are working for humanity and democracy. Every stamp bought will help win the war. You will not miss a small sum. Give what you can. It will amount to a large amount in the aggregate.

It will be pleasing news to all Chautauqua goers to learn that the big tent will be located in the Sweeney field this year and not in the old baseball field near the railroad track. Last year the passing trains and rumbling of the automobiles on the county road greatly disturbed the speakers and entertainers. The new location of the tent will be far removed from these annoyances. The Chautauqua will open on May 27th and continue until June 2nd.

Mrs. J. Hahir and Mrs. Archer Kincaid are attending the annual encampment of the Relief Corps at Oakland, they being delegates from relief corps of this city. P. P. Chamberlain and David Jackson of Pescadero are also attending the encampment of the Grand Army of the Republic, which is being held at the same place. They represent the George S. Evans post of Redwood City. Mr. Chamberlain has been a delegate to these Grand Army meetings for a number of years.

TRUSTEES MEET AND RETAIN ALL HIGH SCHOOL TEACHERS FOR THE COMING YEAR

LADY GRADUATES MUST KEEP COMMENCEMENT DRESSES WITHIN CERTAIN LIMIT

The board of trustees of the high school held an important meeting at the school building last Saturday afternoon. The board was reorganized by the election of L. P. Behrens as chairman and D. O. O'Keefe, secretary. Both men have held their respective positions on the board for the past thirteen years. They have been reelected every year since 1905.

All the teachers were retained for the coming year at increased salaries. Professor McCrea was relieved of his classes and hereafter will supervise and teach the senior history class. He will be given one assistant teacher and a lady to teach half time.

Miss Edna Matthews, who has taught physical training at the Half-moon Bay school for the past three years, has been selected to teach science and physical training. She is a graduate of the University of California and for two years taught physical training at the Notre Dame Convent at Oakland. She is skilled in this branch of high school training which recent laws enacted by the legislature makes it compulsory to be taught in all high schools.

Mrs. B. E. Meyers, wife of the commercial teacher, will be the half day teacher. She will take the classes to be relinquished by Mr. McCrea. She taught in the school before her marriage to Mr. Meyer. She is a very clever and talented young woman.

The commencement exercises will take place on June 3rd next. In a spirit of economy the board thought fit to abridge the prices to be paid this year for dresses to be worn by the young lady graduates at the commencement. No young lady will be permitted to pay more than $10 for her dress to be used that evening. The young women were contemplating spending $25 for their wearing apparel for that eventful occasion. No doubt the indulgent mothers will be pleased to learn of the new rule

The graduation exercises will take place in the Alhambra theatre.

HOGAN SEEKS EXTRADITION ARMED WITH NEW PAPERS

Deputy Sheriff William Hogan returned from Sacramento on Monday without receiving the necessary extradition papers to bring Robert Zimmerman back from Seattle. He is wanted in Redwood City on a charge of failure to support his wife and children. Governor Stephens refused the papers on the ground that Zimmerman was out of the state when the alleged offense was committed and therefore could not be extradited on the complaint standing against him. Zimmerman, according to the old complaint, committed the crime on September 1, 1917, this has been changed to June 15, 1915 and Hogan has been given new papers and sent back to Sacramento to again make an effort to secure the extradition papers that he may proceed to the north to get his prisoner. Zimmerman has employed three lawyers to fight extradition. He will put up a strong contest before he will be compelled to return to Redwood City

SHERIFF M. SHEEHAN TO SEEK REELECTION

This week Sheriff M. Sheehan announces his candidacy for reelection. Mr. Sheehan was elected four years ago after one of the hardest campaigns that had ever taken place in the county. He is a fearless officer, capable and efficient, and during his term has captured many noted criminals. Mr. Sheehan is a good campaigner and is going to make a strenuous contest for reelection.

PLANS PROPOSED TO MAKE REDWOOD MAMMOTH SHIPBUILDING CENTER

Government representatives were here several times during the week in consultation with the Chamber of Commerce and the leading citizens with a view of acquiring the water front of Redwood City for a mammoth shipbuilding plant for the construction of concrete ships.

The representatives intimated that if proper terms could be agreed upon a plant would be erected here that would employ more than 2,000 men, and that at once a start would be made to construct ships of very large dimensions for government use. It was also stated that as many as 52 vessels would be built at the water front.

The government first made a proposition that the city give fifty acres to Uncle Sam and that water be supplied same and that a good road be built to the proposed plant. Later a counter proposition was made by the government representatives. It asked that it be given the whole water front containing some 500 acres of land, that water be supplied and that a street car line be established from Main street to the plant. This proposition is now being considered by prominent citizens of the town and the biggest taxpayers with a fair way of closing the deal, which means so much to Redwood City.

It is proposed to bond the city, after annexing the water front, for $1000,000, this money to purchase the site and construct the proposed street car line and to make other improvements required by the government.

There is scarcely any doubt but what the bond issue would carry for the establishing of such a gigantic enterprise in Redwood City would mean the doubling of the population of the city in a short time and thrilling property values, not to speak of the vast volume of business that would be brought here. The bond issue certainly would be popular as all would be willing to bear the slight extra burden knowing the great good that would follow the construction of such a plant here.

Next week something of a definite character will be done and a tangible agreement arrived at.

WALTERS REPORTS AVTIVITY IN REAL ESTATE DEALS

Dave L. Walter, the hustling real estate dealer, reports the following properties in Redwood City sold and now occupied by their new owners: the 100x100 northeast corner of Heller and Cedar streets for S. L. Bean of Palo Alto to E. Caracudus, and the northwest corner of Stambaugh and Elm to the owners of the Eureka Restaurant; 100 foot frontage on Whipple avenue, Wellesley Park, containing two houses for the account of Edith S. Isaacs to Frank Mahannah and wife; the Vanderwalker home on Birch street, Redwood Highlands he sold to C. H. Robertson and wife of Richmond, who have come to Redwood City on account of our climate. Several other deals will be announced shortly upon their completion. He reports activity where buyers can be shown that genuine bargains exist and that quite a movement is noticeable of home buying. He also reports that both the Redwood City Realty Co., and himself have been appointed the local representatives of the Oak Knoll Manor and Emerald Lake properties by the Lavelle-Holt Co.

Dan Mullen returned on Tuesday from an extended visit with his daughter, Mrs. Linda Byrd of Alameda.

LETTER OF THANKS FROM SOLDIER "OVER THERE"

Over a year ago a number of comfort bags prepared by the ladies of Redwood City were sent to the soldiers in France. Among them was one arranged by Mrs. Caroline Heiner who placed a small card in the bag stating that she was a grandmother and doing her bit for the soldiers at the front. During the week she was surprised in receiving a letter addressed to her as Grandma Heiner from Corporal Frank Wallace "somewhere" in France stating that he had received the bag in the trenches and it contained just what he had wanted. The articles were fully appreciated by him as many were just what he had long desired. The corporal was profuse in his words of appreciation and urged Mrs. Heiner to write him giving all the news from home as he received very little where he was in the trenches.

FAITH UPHOLDS ITS NAME

The successful trial trip of the Faith on the San Francisco bay last Sunday was very gratifying to the people of Redwood City who watched its career since the first nail was driven. They had faith in the success of the big ship and knew it would come up to all expectations. Faith was cradled in the lap of Redwood City, here it first saw the light and Redwood City will always look upon it as a favorite child that will win glory and fame for its birthplace. This leviathan of the waves has revolutionized the ship building industry. Now that it has been a success and that it has been clearly established that concrete can be used instead of lumber in the construction of large vessels, future ships will be made of this material which is cheaper and more durable than any other. No wonder then that Redwood City may well feel proud of the achievements of Faith.

A SIGH OF RELIEF

The last heard of Francis J. Heney, who came to Washington to "bust the trusts", the Supreme Court had refused to grant him the right to paw over all the papers of the meat companies. Heney has subsided. It is remarked in Washington that Heney came in like a lion and went out like one of Bo-peep's lambs—leaving his tail behind him. The country is too full of fulminate to have such a firebrand at large.

L. W. Smith Seeks Divorce

Louis W. Smith has begun in the superior court divorce proceedings against his wife, Josephine Smith on the ground of desertion. The couple was married in New York on May 20, 1913, and sixteen days later defendant deserted her husband and has not lived with him since. There are no children as a result of the marriage.

Applies for Letters of Administration

Anna Schostak has applied in the superior court for letters of administration upon the estate of Robert Schostak, deceased. The estate consists of a deposit in the Bank of South San Francisco amounting to $1225, a claim against the Pacific Coast Steel Company amounting to $93.45, and personal effects valued at $100. The entire estate does not exceed the sum of $1,500. J. W. Coleberd is attorney for petitioner.

Appointed Guardian

Archie Bigazzi has been granted letters of guardianship ad litem upon the person and estate of his son, B. Bigazzi, aged 8 years. On October 31, 1916, the boy was run into by one of the cars of the United Railroads at Daly City and severely injured. The boy has an action against the company for its alleged carelessness and negligence but the father desires to comypromise the claim, the company being willing to pay the father the sum of $200 and to defray all expenses. The purpose of the father in securing the letters of guardianship is to get authority of the court to compromise the claim. Gilbert D. Ferrell of Burlingame is the attorney for the guardian.

REPORT OF SESSION OF BOARD OF SUPERVISORS

(Continued from page 4)

and was granted on roll call, all of the members voting "yes" with the exception of Supervisor Brown, who voted "no."

Supervisor MacBain to whom the communication relative to the improvement of Menlo avenue had been referred earlier in the session, reported that the thoroughfare in question is ot a county road and therefore the county has nothing to do with the improving of the same. On motion of MacBain, seconded by Hickey, the clerk was instructed to communicate with Charles H. Williamson, who had written the board in the matter, and suggest to him that the road be deeded over to the county, so that the latter could be in a position to take care of it.

Supervisor Hickey, to whom a communication relative to the improvement of two blocks of roadway on San Bruno avenue, just over the San Mateo county line in the northend had been referred, reported that the supervisors of San Francisco had informed him that they would take action in the matter in the very near future.

Attorney James T. O'Keefe of Redwood City presented a petition signed by Elliott E. Seizer and other residents of Menlo Park, asking for the installation of four 250 candle power electrict lights at that place, placed as follows:

One at the corner of Santa Cruz avenue and the State highway; one at the corner of Oak Grove avenue and the State highway; one at the corner of Oak Grove avenue and Railroad avenue and one at the corner of Railroad avenue and Golder street.

On motion of Hickey, seconded by MacBain the petition was accepted and the proper amendments ordered made in the contract with the Pacific Gas and Electric Company to cover the above additions to the lighting district.

Roy W. Cloud representing the Redwood City chapter in the coming big Red Cross drive, addressed the board and asked that the county duplicate its donation made on the first drive, which amounted to $5,000, $3,000 of which went to the San Mateo chapter of the Red Cross and $2000 to the Redwood City chapter. The request was granted, and an appropriation in the above amount was ordered made, on motion of MacBain, seconded by Hickey.

County Treasurer P. P. Chamberlain, who is also post commander of the G. A. R. in this city, appeared before the board and asked that the allowance madeby the county for taking care of the internment of old soldiers and sailors be increased from $50 to $75. This request was granted, on motion of MacBain, seconded by Francis.

The allowance made by the county for the burial of indigents was increased from $16 to $25, on motion of Brown, seconded by Francis.

Everett Moore, representing the California Tie Company, who are operating across the mountain above La Honda, appeared before the board and asked for a permit to haul more than the present county ordinance allows on motor trucks over the new La Honda roads. Supervisor MacBain informed Moore that the ordinance was drafted to protect the roads of the county, which had been built at a big cost and that the hauling of loads in excess of six tons inclusive of the weight of the truck, would soon destroy the roads. The request was accordingly denied, on motion of Hickey, seconded by MacBain.

The hearing of the charge filed against F. S. Duarte, Pescadero saloonkeeper, by District Attorney Swart for conducting his place in a disorderly manner, was ordered continued to Monday, May 13, on account of the detectives in the case not being able to be present at last Monday's meeting.

A resolution accepting and approving a map of Emerald Lake Park that had been presented and rejecting certain streets and roads described in said map without the limits of the town of Redwood City, was adopted on motion of MacBain, seconded by Hickey.

Supervisor Hickey addressed the board and stated that he had been requested by the Social Service Commission to get an expression from the supervisors as to what they intended doing relative to building a new county hospital.

The members all expressed themselves as being heartily in favor of the new hospital, but the question that confronted them was the raising of the necessary money to construct the kind needed. After considerable discussion the matter was continued in order to give the clerk time to look up the minutes of the board, showing the appointment of a committee to select a desirable site somewhere near the main highway.

Supervisor MacBain addressed the board and stated that Mrs. W. H. Kinne, who had been appointed matron of the new detention home in Redwood, had concluded not to accept the position and that the place was open for appointment. He thereupon moved that Miss Rose Swift of Redwood, whose application was before the board, be appointed matron. Supervisor Hickey seconded the motion, which was carried.

Twenty-nine applications for jitney permits were received at this meeting and the hearing in the same were set for Monday, May 20, the notices of hearing being ordered published in the county papers.

Following the reading of a communication from the Los Angeles supervisors, the board decided to attend the annual convention of the association of supervisors, to be held in that city beginning May 20.

The board adjourned at 1:10 to meet Monday, May 13.

Forum, Baptist Church

Lieut. Goff met a responsive audience at the forum meeting, Baptist church, Sunday evening. His address in art is as follews:

The Moral Squad was formed to assist the government win the war. This help comes in the way of retaining and nourishing health of mind and body in the soldiers. Other things being equal, it is the army made up of the cleanest men that will win. The attempt was made to wipe out the segregated districts. In this the force has been very successful. Many places were raided and many arrests made. So that there are no houses of "ill fame" so far as the police know in San Francisco. Barbara Coast has been completely cleaned up. On investigating the character of the inmates of the segregated districts, it was found that 60 per cent of the women there were feeble minded, not able to cope with a cold, stern world. Upon this class, the vultures prey. The work of the Moral Squad has shown that it is possible to disband the segregated districts and clean it up. These women do not scatter to other sections of the city and there ply their trade. Since the Red Light Abatement Law has been enforced in San Francisco, there are fewer places scattered over the city where this vice is had than ever before. On the whole, San Francisco was never so clean as now. During the past year there have been 300 arrests for violation of the law regulating the pandering in vice with soldiers. In a financial way, it is needful for the government to protect the morals of the soldiers. It is said 30 divisions of the Austrian army, or 360,000 men are incapicitated by vice. When it costs $100 a month to train a man for service and six months are required for the training the presence of vice becomes a costly thing. It is the duty of every loyal citizen to help the government at this critical time, in every way possible not only by enlisting in the service and buying Liberty Bonds, but also by ding one's best to protect the men who are fighting our battles from vice.

MENLO PARK NEWS OF ALL SORTS

Doings at Peninsula Garden Spot As Told in Breezy Style By Our Reporters

Timothy Hopkins and family have moved down from the city to occupy their home here for the summer months.

R. E. Mulcahy, the banker, has moved to his handsome home at Atherton. He has closed his house in the city for the summer.

Miss Etta Warren has reopened her Menlo Park home and will pass the summer there as usual. She came down about ten days ago.

The Knights of Columbus will soon erect a recreation building at the remount station for the benefit of the soldiers stationed there. The building will cost over $3,000.

Martin Buckbee, father of Mrs. Harry Weeden, celebrated his 80th birthday last Saturday by giving a party at the home of his daughter. About thirty guests were present to felicitate the old gentleman in rounding out his eightieth year. Mr. Buckbee was the recipient of numerous useful gifts from his old associates.

There were two fires at Camp Fremont, one on Thursday evening and the other early yesterday morning. The origin of the blaze is unknown. Two mess houses were burned. The damages was only slight. The Menlo Park fire department responded promptly but before the arrival of the men the fires were under control.

George F. Russell contemplates the erection of a large garage and machine shop on his property facing on El Camino Real. The contemplated buildings are to be erected close to the grammar school and it is understood a protest has been filed with the supervisors to prevent their erection. The new buildings would be within 30 feet of the school house.

Miss Mary Harkins, daughter of Mrs. Charles Harkins and the late Major Harkins, was married last Sunday afternoon in the Church of the Nativity to Gilbert H. Johnson connected with the 23rd machine gun battalion of Camp Fremont. The ceremony was performed by Father J. B. Hannigan. It was a quite affair only a few friends attending the impressive ceremony. Miss Katherine Harkins, a sister of the bride, was her only attendant. Private Gilbert Burmeister acted as best man. Mrs. Johnson will remain with her mother at present while her husband is at Camp Fremont.

Menlo Parlor N. D. G. W. will give a play in the Hall of the Nativity next Wednesday evening. The "Delayed Honeymoon" is the name of the play which is certain to draw a big house that evening. For weeks the Native Daughters have been rehearsing and are well prepared to put on the play, feeling sure of success. This play has been successful in other places. It was given in Mountain View recently and was a decided success filling every seat in the large theatre there. The cast of characters is made up of a number of the prominent young ladies of Menlo Park. These names will appear upon an elaborate program now being printed for the parlor.

On May 6th and 17th Archbishop E. J. Hanna of San Francisco will confer minor orders on all candidates for the priesthood at St. Patrick's Seminary. The young men taking these orders hail from Portland, Idaho, Los Angeles, San Francisco and Montana. On May 18th the archbishop will ordain in St. Mary's Cathedral in San Francisco several young men. The young priests will celebrate their first mass the following Sunday after at their respective homes Among those who will be elevated to the priesthood is Robert Falvey, of San Mateo. His parents, sisters and brothers and friends will attend the young man's first mass. It will be a day of joy and happiness for the Falvey family.

The street carnival and dance for the benefit of the local Red Cross Society last Wednesday evening was a decided success, the gross receipts having been $425. The ladies worked energetically and are deserving of much praise for it was through their efforts that the affair was such a success. The Santa Cruz Extension was strung with tricolored electric lights and on all sides were gala colors and carnival spirit. Fully 2,000 people attended. The music for the street dance was furnished by the Thirteenth Infantry band of 40 pieces. Wheels of fortune were kept busy by purchasers of paddles who strove vainly to secure some of the valuable articles offered for sale. The "Little Red Hen" donated by Mrs. Henry Midgley and raffled off, brought the tidy sum of $15. The hen was won by Mrs. James R. Doyle, who returned it to the Red Cross Society to be again disposed of for the commendable purpose.

Boy Bitten by Dog

Robert Poole, the young son of Mr. and Mrs. J. W. Poole, was seriously bitten by a bulldog on Monday. The Pooles had had the dog several weeks and it had been the boy's custom to feed the animal. On entering the yard where the dog was chained, the beast sprang upon the lad, catching him by the thigh and holding on until beaten off by the boy's mother, who was attracted by his cries. The child is under the doctor's care and will not be about for some time. The dog had shown no sign of viciousness before the sudden attack.

Miss Natalie Hansen, teacher of the fifth grade of the grammar school, is confined to her home suffering from a severe sore throat.
